Sorry I didn't see this before editing the bullets myself. I will add these into the document and you can disregard my email asking you to review my bullets.  
Thanks for doing these. Not sure why they didn't get added into the document Darcy received. Too much going on I guess!

I made some clarifying edits and included two more comments. One is technical and the other concerns the recent ASLB/NRC ruling.

Otherwise, this looks good.

Hi Mike –

We're planning to brief Greg on Dewey Burdock on 3/12 and are working on the briefing paper for that. Can you please review and comment on the draft NHPA section? If possible, I'd like to get your input by Thurs noon so we can get the paper to Darcy on Friday.

Thanks,  
Sarah
